

BINE* "THIN RED LINE"

RELEASE 25.06.2010

ACOUSTIC SONGWRITER INDIE POP FOLK

PRESS INFO

„I asked my guitar if it would like to form a band with me... and it said yes!“

Since then the two of them are a singer/songwriter duo. Spending lonely hours writing songs, a good time at the studio and are now touring through clubs, bars and cafes with the new songs and a CD. Bine*'s secret is her natural and authentic style as well as the unique gift to charmingly entertain and fascinate the audience.

She tells her stories, accompanied by her acoustic guitar, cautious and gentle. At times lighthearted and easy, other times with dark melancholy. Bine*'s songs creating a special atmosphere. You're free to laugh, cry and scream. With Bine* it's about pure, immediate energy. Her voice is lively and expressive and the guitar her happy-go-lucky companion.

*Hopefully I find you there,
You want to see the stars falling.
I'm running forward to catch them all,
Before they touch your heart.*

Bine* always remains gracious, without losing her inner strength. But even in powerful moments of her music, her core always stays a bit vulnerable – human.

PRODUCTION INFO

The album "Thin Red Line" was recorded 2009 at the Fundindelve Recording Arts Studios in Eppstein near Frankfurt. Executive producer and guest musician was Simon Rauland (Verlen, Morning Boy). The arrangements, lyrics and songs were written by Bine*, all additional instruments were played by herself.
